

REMARKS

Claim Status

Claims 1-10 are pending in the Application. Claims 1-10 have been amended. Claims 11-20 have been added. The Examiner has rejected claims 1-10. Applicant believes that no new matter has been presented in the additional claims 11-20.

Claim Objections

The Examiner rejected claims 3-9 and claim 10 for being in improper form. Applicant has amended these claims to comply with the examiner's objections; and therefore, Applicant respectfully requests that claims 3-9 and 10 be reconsidered in light of these amendments.

Claim Rejections – 35 U.S.C. §102 and 103

The Examiner rejected claims 1 as anticipated by Salisbury and claim 2 as unpatentable over Salisbury in view of Cipolla. Applicant has amended claims 1 and 2 to add limitations to overcome these rejections. Therefore, Applicant respectfully requests that claims 1 and 2 be reconsidered in light of these amendments.

Conclusion

Applicants believe they have addressed and responded to every point raised in the Examiner's present action. For the reasons stated above, Applicants respectfully request reconsideration and allowance of this application.

Respectfully submitted,
